2 Bugs fixed since previous Public Release

This section provides a summary of bug fixes and changes that have been applied subsequently to shipping Patch Release #6216.

DOCS-4760 CentOS: documents does not start anymore after latest update

Last patch broke documents on RHEL due to updated unzip with zip bomb detection.

This has been solved by disabling jar repacking of open-xchange-documents-backend on RHEL.

3 Tests

Open-Xchange has successfully verified all bug fixes that could be reproduced within a lab environment.

To avoid side effects, the shipped packages have gone through automated regression test on both, a Continuous Integration System and a dedicated server set-up for system and integration testing. All changes have been checked for potential side-effects and effect on behavior. Unless explicitly stated within this document, we do not expect any side-effects.

4 Fixed Bugs

DOCS-4760,
